

Android

1. After opening the application, select New Manga. From there, choose your work's title and size, and start creating! The file will automatically be saved to the cloud, so please finish off your work according to whether it's an original or based on a Name.

2. When you have finished your work, press the "Post to Medibang" button. Give it contest tags at the Work Publish Settings screen, and submit to Medibang.
